

Creating Best Digital Space For You !!

Providing emerging technology for your Business needs, ensuring you stay ahead in the market.

www.zoondia.com

About Our Company

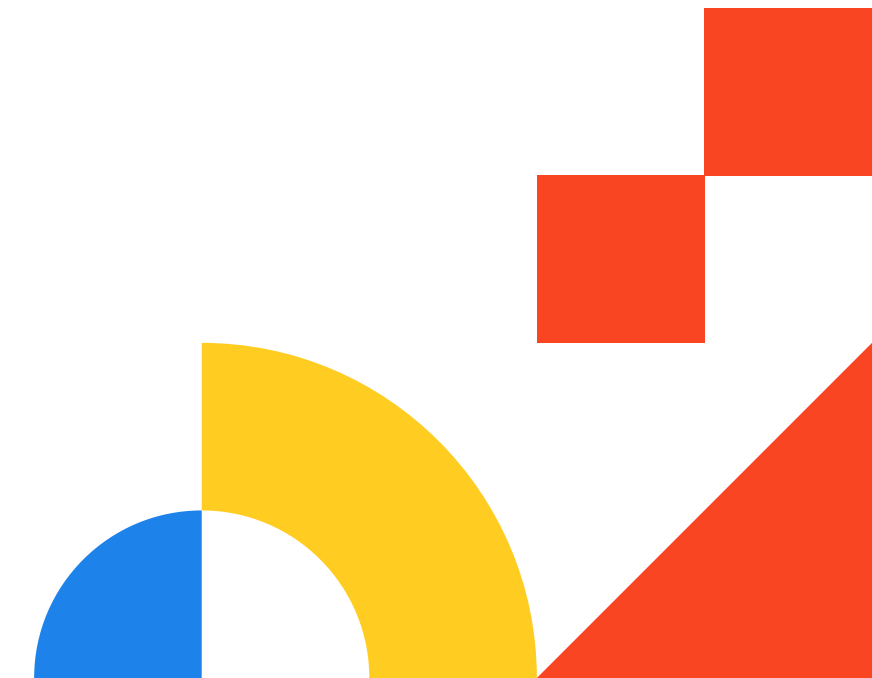

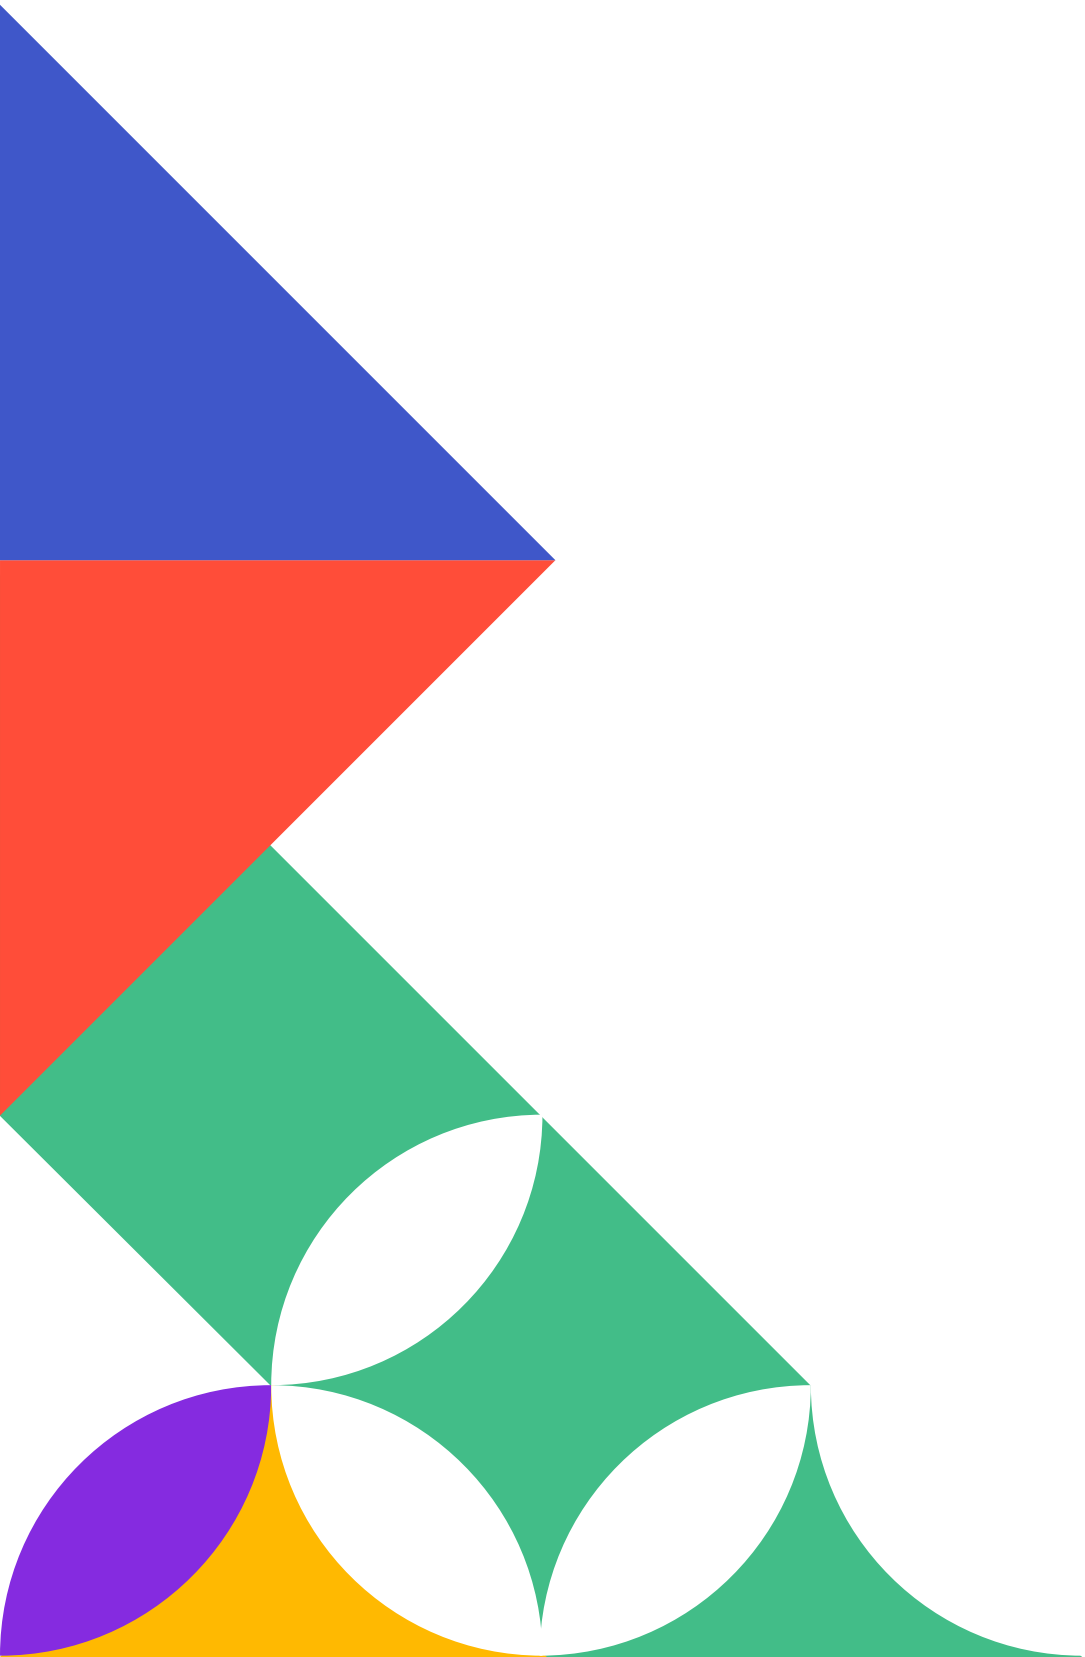

Established in 2008, Zoondia has emerged as a top-tier custom software company, backed by extensive industry experience. Our core mission is to deliver custom solutions to businesses across diverse sectors by merging technical expertise with a deep understanding of their requirements.

Based in Technopark - Trivandrum, and Cyberpark - Kozhikode, Kerala, India, our operational hub combines technical proficiency with business acumen. Additionally, we have established offices across the USA, UK, and Middle East to cater to a wide range of business needs.

With over 16 years of experience, Zoondia remains dedicated to delivering a full suite of tech services, specializing in crafting custom software, web and mobile applications, and leveraging cutting-edge AI to deliver innovative results for our clients. With our comprehensive range of services and expertise, we aim to be the trusted partner for businesses seeking innovative technology solutions.
